

GEOTECHNICS LIMITED - QUALITY ASSURANCE POLICY

The policy of Geotechnics Limited is to provide high quality services which achieve total client satisfaction.

It is recognised that the continued success of the company depends on the quality, delivery, value and price of its services.

It is the Company's prime quality objective to meet the requirements of ISO 9001:2000 as a registered company of assessed capability.

Conformance to the procedures and systems recorded in the **Quality and Procedures Manual** is a mandatory requirement of all personnel to ensure that the company continues to meet its quality objectives which are to:-

- Promote a process of continual improvement in all areas of the company.
- Utilise the framework of management review meetings to monitor and update quality objectives.
- Give a value-for-money service.
- Promote staff development through training.

Signed.....

Leonard Threadgold, Company Chairman. October 2008
